Part Four: Additional Remarks

Please write any special needs or special instructions for your production below:

This is not an easy show experienced dressers are desired. All dresseer should be flexible as there are many changes that require the ability to go on their knees. All dressers need to be able to carry 20lbs

I have one track that for the continuity hour will act as a stitcher for small repairs

Laundry stays one hour post show and their call is offset from show call by 30 minutes (ie show call 6pm/laundry is in at 6:30pm) the laundry person has a hard 5hr call

we have two 2 "magical" moments that are show critcal that the assistant and i perform. I also am involved in the beast transformation changes (in and out) due to his safety harness.
